1. Playing Day

Saturday mornings and as required at WHA's discretion.

2. Length of Games

Games must start and finish on time.

All games will run to the schedule allocated by WHA, should a match start late the match will be shortened to ensure that the next game is not effected.

All games at P1 level are to have 25 minute halves. All other grades will have 20 minute halves. Maximum half time is 3 minutes.

3. Umpires

Every team must register an umpire when registering a team These umpires will then be appointed to teams that they are associated with rather than random allocations.. Umpires registered with teams will be required to attend an umpires course prior to the beginning of the season.

Please note WHA will appoint umpires to all P1 fixtures in the 2018 season.

4. Defaults

Please notify the tournament controller of any default no later than the Wednesday before the match. Defaults still incur turf fees with the defaulting team required to pay both teams' turf fees for that match. Teams defaulting after the Thursday deadline will be levied a \$50.00 penalty in addition to turf fees.

5. Requests to Re-schedule

There are no deferments in Small Sticks Hockey. Representative quadrangular tournaments are taken into account when draws are prepared. During the weekend of the quadrangular tournament, WHA will ensure that teams involved will play as early as possible to ensure that all players have sufficient time to travel and attend this tournament.

6. Cancellations

Turf games are not often cancelled. The main cause for cancellations is flooding and cold (below 5 degrees celsius) conditions. In such events WHA will cancel matches, a cancellation notice will be put on our facebook page and also a notification will be sent via the Wellington Hockey phone App, an email will also be sent to all team contacts as soon as possible

If the condition deteriorates sufficiently while a game is in progress, the duty team and or Wellington Hockey appointed custodian in consultation with both coaches can agree to call off matches. Please note games that are called off are unable to be rescheduled.

Games may be cancelled due to an Act of God (force majeure). In these circumstances Wellington Hockey will reschedule the matches for Monday-Friday where practical. Where this is not practical (i.e. time restraints due to semi-finals or similar) then the cancelled match will be deemed a draw.

NOTE

The WHA body, as provider of the venues under charter has the right to close the grounds.

7. Results

Point Allocation:

WIN – 3 Points, DRAW – 1 Point, LOSS – 0 Points

In the event of a default the result shall be recorded as a 0-3 loss to the defaulter and a 3-0 win to the other side. The team who wins by default will be awarded 3 points.

Game Cards must be completed prior to games commencing and are obtained from the duty Club/School team. **Any injury incurred during the course of the game must be noted on the reverse section of the card.** At the end of the game the card is to be signed by both teams and returned to the duty Club/School team. The cards must then be left in the duty box for collection. Teams failing to fill in or complete the card in full are subject to forfeiting any points gained for that match. If no points were gained, then points may be deducted from points already gained and the team issued with a warning. Repeat offences may result in financial penalties.

14. Club and School contacts

A register will be established for the current season's contacts. This database is used for ALL primary communications from Wellington Hockey Association. Please advise Wellington Hockey as soon as possible should any of these details change. mark@wellingtonhockey.org.nz
This should include the club/school convenor. This is the person that needs to liaise with WHA on all matters involving the club as a whole or a single team of the club.

15. Duty Teams

All teams will be on a roster and will be expected to do at least 2 duties during the course of the season. Failure to fulfil the full duty team responsibilities will result in a penalty fine of \$100.00. Each team will be charged \$20 for the season, this covers NHS duties so no team is required.

A schedule of duties will be held at all venues.

Copies of duties are at the back of this handbook.

Competition Rankings

Competition rankings in all grades are determined by the HNZ Primary Schools Hockey Tournament Format for determining rankings at the end of Pool play or Round Robin play.

That is:

- a) In each grade teams will be ranked according to the number of points each has accumulated in the competition.
- b) If at the end of the competition two or more teams have the same number of points for any place, these teams will be ranked according to their respective number of matches won.
- c) Should there still remain equality between two or more teams, then these teams will be ranked according to their respective goal difference (which means 'goals for' less 'goals against').
- d) A positive goal difference always takes precedence over a negative one.
- e) If there still remains equality between two or more teams, then these teams will be ranked according to their respective number of 'goals for'.
- f) If there still remains equality between two or more teams then the result(s) of the match(es) played between (only) those teams involved will be taken into consideration to determine the ranking of the tied teams.

16. Practice Turf

This area (at NHS) is only available to the 4 teams for the game duration immediately prior to their game. Team officials must ensure their players are wearing the correct protective equipment in the practise area. The Fraser practice turf may be used in the same manner as long as no 6-a-side/mini competition is running.

Competition Details

17. The Draw

The draws and results are available on the WHA website at <http://tournamentmaker.co.nz/wgtnhockey/>

Where possible, WHA will schedule semi-finals to the 1st and 2nd seeds "home" ground (home ground being defined by the closest to where their club is based). Please note **No** Semi Finals or Finals will be played at NHS due to National Hockey League commitments. These games will be scheduled between Fraser Park, Maidstone, Elsdon and Kapiti.

18. Competition Structure

Teams can be promoted or relegated if deemed necessary by the WHA Office in consultation with the Youth Advisory Council.

Premier Grades

There will be a boys' competition at P1, P2 and P3 and a girls' competition at P1, P2, and P3 where team numbers allow.

No girl shall play in the boys' competition neither shall any boy play in the girls' competition.

Grading games may be set if the WHA office deems it necessary.

Where possible there will be 6 teams in each grade however this is dependent on team entries each year.

At the conclusion of the first round, the teams who ended bottom of Grades 1 and 2 for Boys and 1 and 2 for Girls, may be relegated to the Grade below (e.g. bottom of P2 is relegated to P3). The Team placed top in Grades P3 to P2 will be promoted to the Grade above (e.g. winner of P3 will be promoted to P2). Points from rounds two and three will be accumulated to determine the semi final placings for each grade.

Mixed Grade

Any teams comprising boys and girls will be placed in the mixed grade. There can be no more than eight (8) boys on the field at any one time. There must be a minimum of three (3) girls on the field at all times and at least five (5) girls registered in the team. The purpose of this grade is essentially social and developmental.

All three rounds points will be accumulated to determine the semi final placings.

Should there not be enough teams for this to go ahead, then teams may be given a dispensation to go into the bottom boy's grade.

19. Rules for drawn Semi Finals and Finals

11 aside

Should the scores be level at the completion of a semi final or final game, there will be extra time as follows:

- Four minutes of extra time with each team dropping two (2) players so that nine (9) players including a goalie play. First goal wins. (Golden Goal)

- Should the scores still be level a further four minutes with the teams dropping a further two (2) players so that seven (7) players including a goalie play. First goal wins. (Golden Goal)
- Should the scores still be level each team will go to a penalty stroke competition

Penalty Stroke Competition

- Five (5) players from each of the two teams, chosen by their respective Team Managers from the players listed on the Game card, but excluding any player who has been suspended Permanently (red card) from the field of play during the same match by the umpires, shall take a penalty stroke alternately against one and the same goalkeeper of the other team, unless the latter has been incapacitated and replaced, making a total of ten (10) penalty strokes, five (5) for each team. The players must take the penalty strokes in the same sequence as the list of five (5) players nominated and communicated by the Team Managers to the umpires prior to the start of the penalty stroke competition. (List of players by name or shirt number in stroke order plus the goalkeeper – if not a stroke taker)
- If during a penalty stroke competition a player (either a stroke taker or a goalkeeper) is suspended, then that player shall take no further part in that penalty stroke competition and, unless a goalkeeper, cannot be substituted.
- If a stroke taker, any stroke the player should have been entitled to take will be counted as no goal. If a goalkeeper, the replacement may only be from one of the nominated stroke takers.
- The player replacing the goalkeeper may continue to take penalty strokes, but when required to defend penalty strokes must wear protective headgear. This player may also wear other approved goalkeeping equipment. (An incapacitated goalkeeper may be substituted).
- The umpires shall choose the goal to be used and they shall toss a coin with the captains to decide which team shall take the first penalty stroke. The team having scored the higher number of goals shall be the winner and the competition shall cease once an outright winner has been established.
- In the event of an equal number of goals having been awarded, another series of penalty strokes shall be started with the same players, subject to incapacitated goalkeepers being replaced and shall feature "sudden death", which shall mean that the winner shall be the first team to have been awarded one more goal than the opposing team after an equal number of strokes (no minimum) have been taken by each team. If necessary, this "sudden death" series may exceed ten (10) penalty strokes, five (5) for each team. The sequence does not need to be the same as in the previous series and the Team Manager may choose at the time of each stroke which of the five (5) nominated players will take the stroke, using all five (5) nominated players per round.
- The Team Managers, goalkeepers and nominated stroke takers only may enter the field of play during a penalty stroke competition. All these persons will remain outside the twenty-three metre area unless a player is authorised by an umpire to take or defend a penalty stroke.

20. Miscellaneous

Any situation not covered in this Handbook shall be dealt with in accordance with the WHA Local Competitions Handbook for the Open Grade. The WHA will deal with all matters not provided for in this Handbook or the rules of the WHA Local Competitions Handbook for the Open Grade.

Duty Team Responsibilities

At least one adult needs to be on duty during all the Small Sticks games.

The Duty Box will be at each turf. It will be left at the middle dugout.

This should contain:

- 1X Duty Team Bib
- 1X Hooter (Gas)
- Supply of Game Cards
- Duty Team Folder
- First Aid Kit

Start of Game:

- The hooter/whistle should be sounded at the beginning of the first game of the day, and then only sounded to conclude each game.
- The person that is triggering the horn/timekeeping must have their back to the game in the final countdown to end the game. The only time a game will continue is when playing out a Penalty Corner.

Prior to the start of a game:

- Signal to teams (3) three minutes to start
- Visually check that all players are wearing shin guards and look for mouthguards when they enter the turf.
- NO Player can play without both a mouthguard and shin guards
- Goalkeepers: They must be fully kitted and ready prior to the game commencement. Fully kitted includes all protective gear, and an over shirt that is a different colour to the playing teams. Buckles on goalkeepers gear must be covered with tape (this is to prevent it ripping the turf).
- Ensure that teams have completed the Playing/Score card and have given to the umpire.

End of Game:

- Collect signed game cards from umpire and place in the duty box.

End of Day:

- Leave Duty Box in middle dugout for collection.

Some Reminders:

- Only Managers and Players are allowed inside the fenced turf areas as per the turf-side rule.
- Wear your duty bib so that everyone knows you're the duty personnel.
- Ice and Water are the responsibility of the Coach/Manager of each team.
- Check the duty box, as there may be newsletters or notices to be handed out to teams.
- You are not there to Referee games.

On behalf of Wellington Hockey Association, thank you so much for your help in running the competition.

Enjoy the day!
