Board Report

2017 has been another successful year for Wellington Hockey.

Without doubt, the biggest focus for both WHA and the Trust this year has been the completion of the third turf at the National Hockey Stadium. To finally see the successful conclusion of a project which had been in the pipeline for such a long time, is incredibly rewarding and it is fabulous to see the new turf being so well utilised.

It is worth reflecting on the significant support received by the Wellington Regional Hockey Stadium Trust, Wellington City Council and funders including the New Zealand Community Trust, the Lotteries Commission and the Lion Foundation to name a few. The fabulous facility we have here simply would not have been completed without their financial support and assistance.

We must also thank the Trustees, especially Keith Binnie and Karen Wallace for their vision, dedication and hard work in getting this project completed. The project was not without its issues and their determination to find solutions meant each challenge was overcome. We must also thank Trafford Wilson for the many hours he dedicated to the third turf. It really was a team effort that has resulted in a facility that will be here for generations to come.

From a governance perspective, our focus on making sure we have the right people, partnerships, structures and systems in place to achieve our financial targets and strategic priorities have been successful over the past twelve months and we have continued to make solid progress against all the priorities and targets set out in our strategic plan.

While we did not achieve our surplus as set out in our budget, work is underway to build a financially stable organisation for the future, while continuing to invest in our facilities, programmes and communities.

In 2018 we will continue to focus on achieving all our financial targets and further grow and diversify our revenue streams. We will place a strong focus on player welfare, to assist with the long-term goal of building a culture of high performance across the region so we are able to achieve the performance goals set out in our five-year plan.

As we continue to manage and grow out partnerships with key stakeholders and commercial partners, we recognise the need to improve our engagement with clubs, players and communities. In 2017 the Board engaged directly with clubs to ensure a clear and direct line of communication is available. We received some great feedback and intend to continue this approach for the coming year. Thank you to Mel Aiken and Danella Rennie for leading this initiative for the Board.

Without support from the Wellington Regional Hockey Stadium Trust, all our local Councils, Sport Wellington, Hockey New Zealand and other funders, sponsors and partners at all levels, we could not continue to support growth or make great hockey happen in our region.

We would like to thank the team at Wellington Hockey for their ongoing commitment to hockey in the Wellington region, and Board members for their voluntary contribution of time and skill. We would also like to thank the many hours that are given to hockey by the community, we are so grateful for the time and commitment shown, so many aspects of hockey would not function without you.

Finally, I would like to say thank you and farewell to two very important members of Wellington Hockey.

Trafford Wilson has been integral in getting Wellington Hockey to the position it is in today. His hard work and dedication has meant the Association is in great shape as he leaves us to take up an exciting new role at Snow Sports Scotland. We will all miss Trafford but wish him well.

Lastly, Nicola Airey will be stepping down from the Board this year. Nicola has been on the Board for five years (including time as Chair) and has made an enormous contribution to improving the governance structures and capability at Wellington Hockey.

We look forward to 2018 and continuing to move towards our financial and performance targets, which will enable us to deliver great hockey to the Wellington region.

Sharyn Mitchell, Chair

Wellington Regional Hockey Stadium Trust

2017 will be remembered as a momentous one for the Trust as the third turf at the National Hockey Stadium was completed and officially opened in April. It is a world-class water-based turf and a wonderful complement to the two existing superb turfs at NHS 1 and 2. Not only that but we completed a “state of the art” changing room for NHS 3 as part of the project and topped it off with quality dugouts and international standard lighting.

This project started some four years previously with the Trust and WHA successfully convincing Wellington City Council of the need for the additional turf and getting them to commit funding for it in its long Term Financial Plans. Projects like this do not just happen though and although I have in previous annual reports paid tribute to Karen Wallace for her tireless and outstanding leadership of the project on behalf of hockey, I need to do so again. Karen put in hundreds of hours to see the project come in nearly on time but more importantly with a quality job and within budgeted expectations. I also want to acknowledge Trafford Wilson, who as CEO at the time, did an outstanding job of raising funding to make the project affordable to hockey. WCC staff, Glenn McGovern and Peter Hemsley, also need acknowledgement for making the project work logistically and financially.

I have previously paid tribute to the funders and, in particular, WCC, Lion Foundation, NZCT and Lotteries Commission. The project could not have been completed without their generous support, especially given the price to build increased by some 50% over the period of the project. Thanks also to John Melhuish and Lani van Schreven from Herriot Melhuish O'Neill Architects for their work on the changing rooms. I'll have left out a number of people including the Trustees and board members of WHA, all of whom who have given many hours and plenty of wisdom into achieving this major milestone; but we are grateful to everyone associated with this project.

The need for the new turf was immediately clear with utilisation in 2017 far exceeding the budgeted expectations. It is probably worth noting that even though the new turf has been very significant in helping to meet the demand for facilities for hockey, with the continuing growth in demand it will only be a matter of time before more facilities are required and that is a major future focus for the Trust and WHA in the coming year or two.

As if that wasn't a big enough year, we also completed a re-carpeting of Elsdon and the practice turf at Fraser Park. Again, both were reliant on support from funders namely Trust House, Pelorus Trust and Pub Charity. We were also given an interest free loan by Porirua City Council to contribute to the Elsdon project. Both facilities have come up well and there has been good feedback on the surface at Elsdon. Changing facilities there are another story but are largely out of our control at this point.

In terms of our financial results as a Trust, unfortunately due to the complexities of the capital projects expenditure and grants our audit has not been completed so we are not able to present audited financial accounts for the Trust's financial year. Once the accounts are available they will be made available to the hockey community. In broad terms, the Trust spent approximately \$1.6m on a combination of the resurfacing of the Fraser practice turf, the Trust's share of the cost of NHS3, the dugouts, changing rooms and the Elsdon re-carpet. This was funded by \$980k in grants, an \$80k interest free loan from PCC and \$540k of the Trust's retained earnings. That left us with around \$350k in the bank after sorting out some transfers with WHA in relation to previous overpayments.

Keith Binnie, *Chairman*

2017 OUTCOMES

PEOPLE

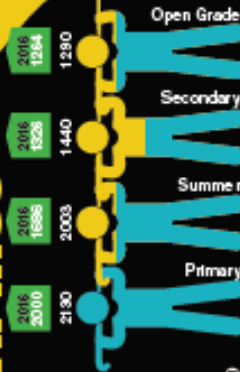

2016 **424**
Coaches and umpires attended development workshops facilitated by the Association

2016 **38** **29**
Capital players delivered coaching sessions to support our community hockey programmes

2016 **34** **22**
Wellington based umpires and coaches were appointed to international or national tournaments

DEMOGRAPHICS

36% increase in our Winter membership over the past 7 years (18,883 members in the 2017 season)

PARTICIPATION

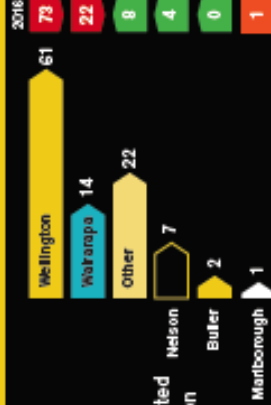

2016 **13,136** **10,090**
people involved in Wellington Hockey participation programmes

2016 **963** **848**
youth participated in Wellington development programmes

Over **400** **370**
players (26 teams) attended national tournaments

57% of Capital players originated from the Wellington region in the 2017 season (1889 in the 2016 season)

PERFORMANCE

2016 **47%** **44%**
of Wellington teams achieved a top 4 placing at national tournaments

8 Capital Players were chosen to represent the NZ U18 squad

2016 **65** **70**
players from the Capital region were selected into New Zealand representative squads

18,500 people watched the Wellington Hockey Short Corner video series

2016 **39,288** **33,000**
visits to the Wellington Hockey website every month

2016 **2507** **2176**
Wellington Hockey Facebook followers

PARTNERSHIPS

2016 **\$3.4m** **\$2.73m**
leveraged to support NHS 3 and turf replacement projects

2016 **50%** **32%**
increase in funding and sponsorship income

2016 **\$335,640** **\$250,640**
invested into new assets and the Stadium Trusts Capital fund

VOLUNTEERS 2016 **494** **470**
volunteer coaches and umpires were involved in our competitions and programmes

Community Hockey Report

Wellington Hockey Programmes

W.H.A (Watch, Habit, Achieve) programme was in its second year in 2017. The Watch was targeted at primary school children who wanted to have fun during the holidays, and Achieve was targeted at those who were intending to play representative hockey (U13, U15 & U18). The Habit programme was altered in 2017 with a festival day targeted at Year 5 & 6 (U11) where there was player and coach development.

Wellington Hockey were fortunate to have Daan Jongejan come on board and lead numerous programmes which attracted a lot of players. Over the course of 2017, 350 athletes participated in our W.H.A programmes.

In 2017 Wellington Hockey kept the representative format the same as that for 2016. This involved a development programme (prior to trials) which was open to all U13s. This was followed by trials that athletes were invited to attend based on their development programme capabilities. The development programme once again was a big success. The process differed for U15s who didn't have the development programme, but instead had an open trial that was followed by two invitation only trials.

It was also decided after a lengthy review process in 2016 that HUB programmes (U11, U13, U15) were not offered in 2017. The programmes did not fit the purpose of our focus on coach and player development, however adjustments have been made to allow U11 & U13 HUB to return with revised content in 2018.

Coach Development

Coach development was limited in 2017 by funding and the conduct of a review by Capital & Wellington Hockey looking at coaches' needs, what coach development should look like and what resources need to be created. This was led by Jenni Cronin who was appointed as the Capital Development Manager mid-way through the year. In 2018 coach development will be a major focus with an emphasis on communicating more with club and school coaches for development opportunities, and providing coaching resources for all levels.

Umpire Development

In 2017 Wellington Hockey again concentrated on increasing development opportunities, umpire numbers and improving mentoring. Wellington Hockey ran twelve theory junior/community badge courses, and one level 1 course. Throughout the year, 6 umpires were accredited with a Hockey New Zealand accreditation. A Small Sticks mentoring programme was also designed with 4 paid mentors at Kapiti, Hutt (Fraser & Maidstone) and National Hockey Stadium. This went well for its first year and Wellington Hockey will look to do this again in 2018.

An Umpire Council was also formed with 9 members. The purpose of the council is to provide the WHA CEO and staff with guidance and advice on umpire matters such as strategies, umpire issues, appointments, and creating guidelines.

Small Sticks in Schools and Renegade

The Small Sticks in Schools programme was once again popular with 12 schools coming on board in 2017. This programme has grown to be the biggest in New Zealand and received a lot of positive feedback. This saw 10,500 children exposed to hockey at over 40 primary or intermediate schools throughout the year.

We also delivered Renegade Hockey sessions to secondary schools who were able to receive 2 sessions run by our coaches at no cost to the schools. Wellington Hockey delivered this programme to 4 schools with over 500 students playing the modified games.

Wellington Hockey will look to continue to target similar numbers for 2018.

Growth in Small Sticks Summer Hockey

In 2017 Wellington Hockey once again fostered partnerships with local hockey clubs at venues for Small Sticks summer hockey. It proved to be immensely popular with an increase of 29 teams from the previous year. These partnerships have allowed 82 Small Sticks teams to play across a range of venues enabling kids to play hockey during the summer.

Masters Report

Wellington Masters Hockey continues to gain in strength and numbers. The local Masters competition has just finished in March with a total of 12 men's and women's teams playing one night per week over 7 weeks. The competition has been superbly run by WHA, with excellent umpires provided.

It's a great opportunity to play against people of a generally comparable level of age-induced disconnect between the brain the body.

On a national level, the national Master's Tournament in Auckland last November featured 7 Wellington teams. Results were generally good with 2 teams winning their grade and 2 more making the finals.

It was interesting to note the number of Master's players featuring in the coaches and administrators roles for local schools and for WHA rep teams. Making time to play as well as coach shows quite a bit of dedication – good work people!

Of note on the international scene – A quick calculation of the selected NZ Master's World Cup teams suggests a percentage of around 25-30% of the total team numbers are Wellington players.

We'll start a new local competition later this year to prepare for the revised National Masters tournament timing - now back to March 2019.

Neville Parker, Masters Council

Hutt Valley Sub-Association Report

Wellington region competition results included Hutt men and Eastern women again winning their respective P2 grades, while the Hutt men's team won the Premier Championship.

Other competition winners were:

Men: Upper Hutt P3, YW Petone R2, Naenae R3

Women: Upper Hutt P3, Wainuiomata R2

In the secondary school competitions Taita College won girls R2, and Hutt Valley High School and Upper Hutt College were second in their respective grades. The Hutt Club won the P1 Kwik Sticks. Congratulations to those clubs and schools.

A major reshuffle in the Hutt Valley saw champion clubs Eastern Hutt and Hutt coming together to form a single new club - the Hutt United Hockey Club. This merger brings together all the primary school players and supporters, as well as adult men and women players. In late 2017 a new committee was formed, plans were put in place for coaching and development programmes, coaches were appointed and a new playing uniform was designed for both adults and juniors.

The Sportsville Pavilion is on schedule for completion in 2018 and is expected to be available to participants during the 2018 season. This is expected to be a strong social and administrative centre for valley-based sports groups form both summer and winter codes.

The representative programme was not operated in 2017 because of clashes with local competition commitments, which meant that players were generally not available. Given the changes in club structures it is anticipated that Hutt Valley will reactivate these programmes in 2018.

In terms of size, Hutt Valley adults and schools comprise 30% of all Wellington region players. There remains a need for discussion with WHA around the challenge of enabling Hutt Valley to pursue relationships with other associations and managing the development of junior Hutt Valley players, and providing some profile for premier hockey in the Hutt Valley.

Warren Devereux, Hon Secretary

University Games Report

The 2017 Tertiary Men's and Women's Hockey Tournaments were held at the NHL during July, with the Victoria University women's team coming out on top again.

With the help and guidance of coaches Rachel Lilley and Leah Murphy, the women's team came together to play some great hockey after limited training time. Only Victoria, the University of Auckland and Auckland University of Technology entered teams, with each playing the others twice and the two top teams meeting in a final.

Victoria beat UoA 5-2 and 4-1 and beat AUT 3-1 and 2-0. They then won the Final against UoA 3-2 after it was 1-1 at half time. Charlotte Eastman scored four goals during the week; Georgia McLean three; Caitlin Procter, Claire Reynolds and Lara Vance two, and Yazzmine Woodhouse one.

The team was: Esther Chan (Co-captain) Lara Vance (Co-captain), Julia Gluyas (GK), Georgia McLean, Phoebe Ellwood, Claire Reynolds, Caitlin Procter, Roshni Parbhu, Charlotte Eastman, Ruby Logan, Yazzmine Woodhouse, Emma Brazil, Molly Powers, Oakley Wilson-Rangihuna, Emma Fell.

Six universities entered the men's tournament with each team playing the others in a round-robin format. The Victoria team struggled with numbers right up until the tournament which was held in the middle of the exam period. Their only win came against AUT in the first game, although they took both Otago and Canterbury Universities to extra time before losing narrowly. They then lost the playoff for fifth and sixth to AUT by 2-1.

The men's team was: Josh Symonds (Captain), Max Ruffell (GK), Tim Grgec, Joseph Redpath, Finlay O'Connor, Jonny Brough, Riley Jennings, Logen Stent, Harrison McConville, Jayan Parbhu, Conor Shalloe, Eliot Brown, Andrew Logie, Peter Manning, Ollie Logan, Mitchell Bradley, Ollie McIntyre, Tom Lock.

Coach: Nigel Pollock

The 2018 Tertiary tournament will be held in Auckland and will move to 5-a-side structure.

Coming together late as a management team, following some initial challenges with confirming the availability of key staff, we set about building a squad to credibly compete in the 2017 NHL. The depth of interest in being involved in the NHL campaign from local players was impressive. With 28 expressions of interest, plus Capital's Black Sticks based in Auckland, there was a wealth of players to consider.

Beginning with open training sessions, we had an opportunity to assess the experience available to select. Finalising the squad, we secured the services of athletes from North Harbour, Midlands, Auckland and Australia, where we were fortunate to have 15-year-old Amy Lawton join us from Melbourne. From the start, Amy proved an invaluable (along with Kelsey Smith and Jess Chisholm) and gave Capital a

very strong and dominating midfield. In addition, the arrival of Grace O'Hanlon (Black Sticks Goalkeeper) and Lydia Velzian, coupled with the vastly experienced Aniwaka Roberts at the back provided for a solid defensive foundation.

With our side now complete, we launched our campaign with a game against Auckland. Always a challenging ask; we took too long to come to grips with the pace and requirements of NHL hockey, and soon found ourselves 2-0 down. While this was a disappointment in our first outing, it was also the wake-up call we needed. Tackling Canterbury the next day, in a hotly contested match, we finally succumbed 1-0 in a match that could have gone either way. Rightly frustrated by the

missed opportunities that could have seen this match end differently, Capital resolved to do better against Southern in our final pool match. Always hard to get over the top of, Southern did not disappoint, and it wasn't until late in the 4th quarter that we were able to put the game beyond doubt, winning 4-2.

We were starting to hit our straps, we had finally scored goals, converting opportunities into outcomes, and so were confident moving into the cross-over match in this new format.

Facing Midlands, who we had drawn with in pre-competition warm-up games, it was always going to be a tough match. Unfortunately, nerves got the better of us and at the end of the first quarter we were a goal down and it could have been worse but for some world-class goal keeping from Grace O'Hanlon. However, with some quick alterations, we were determined to do better. And so, for the next 45 minutes the game see-sawed from end to end, but again it was not to be, with Midland running our victors 1-0. While a commendable result against the eventual NHL champions, it did nothing to quell the frustration we all felt about missed opportunities. This set us up for a game against the very experienced Central side. Having lost heavily to them in pre-competition, it was an opportunity for the improving Capital women to demonstrate some excellent hockey. Again, nerves got the better of us, and once more we found ourselves down a goal before we began to dominate the game into the third quarter. Missed chances did begin to feel like this game too would slip away, before a great individual effort from Esther Chan brought us level. Determined to take advantage of our dominance, we set a plan to close the game out in normal time. However, as happens, the best-laid plans came apart, when we had 2 players sin-binned and had to finish the game with 9. The shoot-out win was not to be and we now faced Southern again for 7th and 8th place. Never a great game to play due to its time and meaning, the squad lifted and delivered. While there was more frustration about missed chances, we dominated the contest to run out comfortable 4-0 winners.

The on-field performance of the team was impressive. It took some time to finalise the squad before commencing the campaign in earnest, pull people from all across NZ and offshore, along with conflicting local competition requirements, injury and illness, all of which contributed to a disrupted build-up preparation. However, I remain very impressed with how well this group came together and continued to perform against the very best regions in the country. The final competition ranking did not reflect the outstanding efforts of this group. We were competitive in every game, even dominant at times testing for every side we encountered. However, in the finish, we lacked in one area, our ability to convert opportunities into goals.

As always, these campaigns are not possible without huge support. A very special thanks must go to Niniwa Roberts, Karen Wallace, Alan Lancashire and Elaine Pollard for their assistance and ongoing support of these athletes. Their contribution was immeasurable. Finally, Aniwaka Roberts' stewardship as captain continued to be excellent. The players and management continue to benefit from her work with players and advice on direction and environment.

The 2017 National Hockey League was held in Wellington and we as a team had set ourselves the goal of "Playing in the last game on the last day". In the end we fell just short and played the bronze final to claim third place by beating Southern 6-1. The title eventually went to Harbour who we played in the opening round going down in the final five minutes 3-4 after earlier leading at half time.

We finished off our pool play matches with wins against 2016 champions Midlands 5-2 and Southern 2-1, finishing second in our pool to meet Canterbury in our quarter final. We have not had good results against Canterbury in the past few years, and this encounter promised to be another tight affair. Canterbury scored first but a quick reply from our International Guest Player Oscar Wookey (VIC - AUS) took us into the break at 1 apiece. Daan Jongejan provided the winner with 10 minutes to play to book a spot against Auckland in the semi-final.

We started very strongly against Auckland and peppered their goal with Seb Buddle scoring in the 3rd minute. However, we could not capitalise on this, which would come back to haunt us in the final quarter. Auckland scored twice in the 50th and 53rd minutes, and despite Capital playing 11 field players, we were unable to take the game to shoot-outs and were bundled out. Our two losses had been against the eventual finalists.

It was a disappointing result for a talented group that played an expansive style of hockey. We need to be better in pressure moments and we will be.

I would like to thank our management team, Scott Falconer, Helen Manning and Nitin Bhikha, and the players for their efforts this year and look forward to going one step further in 2018 when we host NHL in the Capital again.

Capital Under 21 Men

The Capital U21 Men transitioned into a re-building phase with the departure of several experienced players and a new Head Coach in Nigel Pollock. Whilst the group lacked in experience and leadership they showed fantastic desire and commitment throughout the campaign. In what can be a difficult campaign because of timings, preparation was halted with several players either injured or in and out of the Region consistently. The team came together well at tournament and with the addition of some quality Assistant coaches in Benedict van Woerkom and Brad Read they began to play some good hockey. The coaches focused on upskilling the group tactically and instilling a strong culture of performance and buying in to the Cobras identity. In what was a very competitive tournament, the Capital boys presented a resolute defensive system but failed to capitalise on attacking opportunities and find the net. They recorded wins over Southern and Canterbury, but narrow losses to Harbour, Auckland and Central saw the side drop to a 5th place finish, a result that was commendable for this group. The group was fortunate to experience and learn from some fantastic coaches and were well supported by the incredible Helen Manning in her duties as team Manager.

Capital Under 21 Women

The Capital U21 Women had a tough campaign highlighted by the lack of interest in playing, this issue was felt right across all Regions as the new age restrictions resulted in far less athletes available on the female side. Despite all issues, Head Coach Mel Aiken worked tirelessly to assemble a competitive team and focused on developing individual athletes and the culture of the group. Build up proved difficult with several players living outside of Wellington and some only joining the team at tournament. The team displayed some great signs at tournament and put themselves in positions to win matches, however failed to finish in the circle and lapses in defence resulted in easy goals against. The group came together well and deserved better results than what they finished with (7th place), some key learnings but good signs with some very talented athletes to return in 2018 and a core group to build a team around. Huge thanks must go to Mel Aiken for her tremendous efforts over the past two years in charge, this team will experience success in the future and the work she has put in will be influential in that. Assistant Coach Kat O'Callaghan was fantastic in providing technical and tactical expertise to the group, and the management of Malesha Wairau is always of a high standard and much appreciated.

Capital Under 18 Men

The Capital U18 Men had a great season culminating with a top 4 finish at National Tournament. Expertly coached by two young but talented Capital stalwarts in Conor Gilchrist and Ollie Logan, the team focused on playing good structured hockey at a high intensity. Coaches bought current hockey knowledge to the group and quickly had the team outletting with various patterns and setting up aggressive pressing structures which made them a really competitive side. At tournament, Capital moved through pool play with wins over Auckland and Northland and a narrow one goal loss to Harbour. As they progressed into top 4 they immediately had a big impact with a win over eventual winners Canterbury, unfortunately they fell off their next match against Central which served as a semi final and finished the tournament in fourth place. It was a great effort from the Capital boys who really made a mark in the style of hockey they displayed, with many of the group back in 2018 we can expect big things. Huge thanks must go to both Conor and Ollie for their tremendous work coaching the team and the support they received from their management team in Mark and Louise Murrell, their contribution to the team's success was immense.

Capital Under 18 Women

The Capital U18 Women set out to build on a successful 2016 campaign with hopes of medalling at National Tournament, with Head Coach Kirsty Cole back for another season in charge the team had stability and experience to draw on. Trials saw a great turn out and quality in athletes that required the selection of a large initial squad which would be reduced at a later date. The team struggled to find their momentum in the build up to tournament, showing glimpses of greatness but lacking in consistency. The first match of tournament proved a vital one, with Capital up 3-2 against a strong Harbour side with 10 minutes to go things were looking good, Harbour pulled their GK to play with 11 field players which was a turning point and with the momentum swing they scored two quick goals just before full time to steal the win. The loss meant they would need to win all of their remaining pool matches to secure a top 4 position, with a win over Southern but a loss to Auckland they fell to the bottom 4. From here they went from strength to strength winning all of their matches to finish a credible 5th place. The girls played with great spirit and showed signs they could have placed much higher, one ten minute period proved the difference for the tournament, whilst disappointing many important learnings to take for the group. Thanks to the always passionate and tireless working Kirsty Cole for leading the campaign, well supported by Assistant Jainesh Sukha and Manager Colette MacKenzie.

Statement of Accounting Policies

Reporting Entity

The Wellington Hockey Association Inc is a not-for-profit organisation registered under the Incorporated Societies Act 1908.

Reporting Basis

Wellington Hockey has elected to apply Public Benefit Entity Simple Format Reporting - Accrual (not-for-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the performance report are reported using the accrual basis of accounting. The performance report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Affiliation Revenue

Affiliation Fees are recognised in the financial statements when they are invoiced. However, are collected over a two-month payment plan. For senior clubs, this means that 30% are due by May 15, and the balance is due by June 15 each year.

For Junior clubs and schools, the invoice is sent upon registration, usual in early May each year and the full invoice is due by June 15 each year.

Affiliation Expense

Affiliation Fees are payable to Hockey New Zealand. The affiliation is invoiced in two parts, from July - December of the financial year invoiced on 31 December and January - June invoiced on the 1st of January for that year.

Measurement Base

The measurement base adopted is historical cost.

Accounts Receivable

Accounts receivable are stated at expected realizable value.

Sponsorship

Sponsorship income is recognised in full in the year it is received. Sponsorship of goods and services is stated at market value.

Facilities Revenue

Facilities income is recognised as revenue once the event associated with the income has taken place.

Fixed Assets

Fixed assets are stated at cost less accumulated depreciation.

Depreciation

Depreciation is charged at the maximum rates allowable by the Inland Revenue Department. The rates applied are as follows:

Coaching Equipment	28.8% SL
Ground Equipment	25.0% DV
Computer Equipment	36.0% SL
Trophies	33.3% DV
Office Equipment	25.0% DV
Uniforms	48.0% SL
Motor Vehicle	26.0% DV
NHS Facilities	10% - 21% SL
